

# CONSTRUCTION CRIMES A BIGGER PROBLEM THAN YOU THINK

Every year construction site crimes cost companies over 1 billion dollars

**72%**  
of workers see  
building damage.

**79%**  
of stolen  
equipment is  
never found.

**35%**  
of workers saw  
site damage  
from a 3rd party.

**22%**  
of workers  
see monthly  
thefts.

## **SOLUTION:** Mobile Video Guard Security System

SMART Security Pros offers remote security with our SMART Mobile Video Guard with Live Monitoring System. This innovative system consists of high powered cameras mounted on 30 foot poles on a compact trailer. The system is available for as long as your company requires it and can be rented daily, weekly or monthly. The Mobile Video Guard sets up in minutes for quick and easy deployment and requires absolutely no internet or power at the site.

Our Remote Security Trailer features license plate capture and a speaker for talking to the site. This system is ideal for a wide variety of locations and events including construction sites, parking lots, festivals and special events, car dealerships, churches and temples, shopping centers and utility substations.
